## BOTTEGA GOLD

Bottega Gold is a Prosecco Doc Brut sparkling wine, obtained by the vinification in white of the Glera grapes, grown in the Valdobbiadene hills. This area is close to the Venetian Prealps and characterized by a climate perfect for this native variety of grape. The vineyards are located on a hilly territory that not only has a landscape of great value but also a long wine-growing tradition. These grapes are hand picked and softly pressed in the winery. The must obtained is maintained in stainless steel containers at low temperature to keep its freshness. It follows the fermentation in autoclave for nearly 40 days, at a controlled temperature of 14-15° C, with the addition of selected yeasts (Charmat method). The golden bottle protects the wine by any source of light, preserving its aroma and freshness thus giving the wine a longer life.

Colour and appearance: Brilliant, with a rich and persistent foam and fine perlage. Pale straw yellow.

Bouquet: Clear, characteristic, fruity and flowery with scents of Golden apple, Williams pear, acacia flowers and lily of the valley.

Taste: Quite tasty, harmonious, elegant and fresh.

## CHAMPAGNE JACQUART

The Jacquart story is a history of the Champagne growers' efforts to control their own destiny rather than relying on the big Grande Marque houses as a route to market. In the early 1960s, a small group of growers realised that in order to build their own businesses in a sustainable way, they needed to launch their own Champagne instead of supplying grapes to the negociant middlemen or directly to the Grande Marques. The Champagne Jacquart brand was subsequently released for the first time in 1962 and the 'Mosaique' label chosen to represent the patchwork of grower families across the region, all joined together with a common vision.

As Champagne Jacquart has grown in reputation, the grower families have benefited directly and over the years many more growers have joined the cause, so that today Champagne Jacquart enjoys an unsurpassed access to the best vineyards from across the region. This ability to choose only the best grapes for the Mosaique label is the secret to Jacquart's success. Champagne Jacquart aims to deliver the best quality with exceptional value-for-money and is constantly developing and improving, with particular emphasis on their vineyards, presses and production facilities.

The home of Champagne Jacquart is the stunning Hôtel du Brimont in Reims, situated on the Boulevard Lundy in between Krug and Roederer. This 19th century Art Nouveau listed building has been completely renovated and is the first step in re-developing the entire Jacquart brand, positioning and packaging.

The eye-catching new labels match the modern but elegant philosophy and express the house style perfectly – the perfect partner for contemporary dining.

### OAKED, INTENSE CONCENTRATED RED

CABERNET SAUVIGNON

Sassicaia, Tenuta San Guido  
Tuscany, Italy

Sassicaia is today one of the most sought after fine wines in the world. This is largely because of the vision, energy and drive of proprietor Mario Incisa della Rocchetta. The Sassicaia estate at Bogheri came from Mari Incisa della Rocchetta's wife's family who had owned land there since 1800 – the name Sassicaia means, place of many stones, and the gravelly soil has been compared to those found in the Medoc. Sassicaia's first vintage was released to universal acclaim in 1968. Sassicaia is now widely accepted as one of the world's greatest Cabernet Sauvignon wines and made history recently, being the first single wine to be granted its own DOC. The wines of Sassicaia combine intense notes of cassis and cedary elegance, with extraordinary power and length. Intense ruby, complex bouquet with highly elegant red fruits. Powerful and concentrated on the palate with sweet balanced tannins and a very long, fine, finish.
